

Heart of Gold Thrift Store

Dear Friends,

JWCH Institute announces the opening of the Heart of Gold Thrift Store in April 2010. We are undertaking this venture to raise funds that will benefit our homeless programs, youth services and medical care for poor and uninsured people. We are reaching out to our friends in the community and respectfully ask for your support in this venture. We are seeking donations of items for resale including clothing, household items, furniture, electronics, household goods, toys, etc. These items will be put to good use in that the sale of these will benefit medical programs for our community's poorest residents.

Your donations are tax-deductible to the fullest extent of the law.

Please call us at (323) 259-8744 to arrange for pick-up
