The new JWCH Institute - Wesley Health Center Lynwood is a 10-exam room facility with more than 5,000 square feet of clinical space. It will serve safety-net populations and offer comprehensive services as a Federally Qualified Community Health Center. Its completion was made possible through the generous support of the JWCH Board of Directors, Los Angeles County Department of Health Services, The S. Mark Taper Foundation and The Ahmanson Foundation.

For more information and/or to RSVP, please call Juanita Guandique at (213) 484-1186 x 3023 or via e-mail at JGuandique@Jwchinstitute.org
